Our Values

E

EXCELLENCE

We are committed to delivering outstanding results and providing the highest quality of service to our clients. Our team members are encouraged to stay abreast of industry trends, regulations, and best practices to ensure that we deliver solutions that are innovative, accurate, and tailored to our clients' specific needs.

P

PROFESSIONALISM

We are committed to providing superior service to our clients by maintaining the highest professional standards in all aspects of our work. Our team of experienced accountants and financial experts through their knowledge, skills, and experience, strive to be responsive, reliable, and efficient in meeting clients' needs and exceeding their expectations.

I

INTEGRITY

We believe in conducting our business with honesty, transparency, and with respect of ethical principles. We adhere to the highest moral and ethical standards, ensuring that every decision we make is in the best interest of our clients. Our clients can trust us to handle their financial matters with utmost integrity, confidentiality, and discretion.

WHY CHOOSE US?

WHY CHOOSE MFCA & ASSOCIATES?

We serve Clients across all industries, providing the desired consultancy services with the following particularities:

1. Partner commitment all through engagements and personal support.
2. Efficiency is at the heart of what we do with high quality delivery.
3. We are locally engaged with an international presence, making us bigger than you may know, offering a better service at a fair price.
4. We are proud members of a leading Global Network of independent Firms with a wealth of experience and resources, connecting, collaborating and working together as one.

MFCA & Associates is a member of MGI Worldwide, a Top 20 international accounting network of independent audit, accounting, tax, legal, and consulting firms, which brings together the expertise of almost 9,000 professionals in some 400 locations around the world. Our membership enables us to keep abreast of important new developments, while providing a seamless International service to any of our clients looking for support abroad.

AUDIT & ASSURANCE

Organisations need auditors they can trust and who can help them manage risk, improve performance, make effective decisions and comply with regulations. Unlock clarity and confidence of your financial information with our meticulous audits. Our experts ensure to dig deep to assess and analyse financial information, uncover insights, and strengthen the financial foundation of our clients. We carry out:

- Statutory Audit of Annual financial statements.
- Non statutory and specific audits.
- Internal Audits.
- Internal control and forensic accounting.
- VISA on Annual Financial statements.

ACCOUNTING

Our team of chartered accountants, certified, international, and industry experts, provide accounting services in a consistent and reliable system-reported manner. We follow global and local standards to help you grow your Organisation with pace and agility to analyse and plan strategically, efficiently and be more productive. The specific services we offer here are as follows:

- Accounting Assistance (daily recording of business transactions for periodic reporting).
- Preparation of Annual financial Statements both in IFRS and OHADA.
- Account Reconciliation and end of year works.
- Payroll management and optimisation.
- Stock Control and monitoring.
- Assessment and revaluation of business assets.

TAX AND LEGAL SERVICES

We provide tax and Legal consultations, while keeping a steady balance between meeting up to your tax and legal obligations and strategic tax structuring for taxes which may be a burden to your Organisation as well as guarding against and following up on any legal proceedings you might be faced with. This includes the following services.

- Periodic computation and filling of statistic and tax returns.
- Tax Planning, strategizing and optimisation and advisory.
- VAT/Sales tax management and recovery.
- Legal support and guidance on various matters related to accounting, taxation and business operations including drafting of Legal documents for official sittings such as Board of Directors and General Assembly Meetings.
- Assistance in the formation of legal entities, such as Public and Private Limited Companies, Partnerships, Non-Governmental Organisations, etc.
- Capital augmentation and reduction procedures.

ADVISORY AND CONSULTANCY

We help elevate your decision-making abilities with our strategic advisory and consultancy services. This concerns the following services.

- Strategic financial/Business advice and guidance to optimise growth and profitability.
- Develop financial forecast, projections and budgeting to support decision-making.
- Assist in the development and implementation of financial policies and procedures.
- Offer guidance on capital structure, financial restructuring and cost optimisation.

CORPORATE GOVERNANCE & RISK MANAGEMENT

Our comprehensive corporate governance and risk management solutions empower you to navigate uncertainty, protect your interests and stay evolving on our ever-changing landscape

- Implementation of effective corporate governance frameworks and structures.
- Risk assessments including, identification, evaluation, and mitigation of risks.
- Establish internal control systems to safeguard assets, prevent fraud and ensure compliance.

BUSINESS VALUATION AND DUE DILIGENCE

We help you uncover the true value of your Organisation and make informed decisions. Our meticulous business valuation and due diligence services provide clarity for capacity assessments for grants, mergers, acquisitions, and investments.

- Capacity assessment to help assess whether Partner Organisations have the Legal, Administrative and Financial capacity to manage funds put at their disposal by Funders or Donor Organisations for specific projects.
- Thorough valuations to determine the fair market value of Organisations.
- Comprehensive due diligence reviews for potential business acquisitions or partnerships.
- Evaluation of financial statements, historical performance, and key business drivers.
- Identification of potential risks and opportunities, ensuring informed decision-making.

TRAININGS AND SEMINARS

Unlock the potential of your team with our tailored training programmes. Empower your work force with the skills and knowledge needed to thrive in an everchanging environment. The following services are included within.

- Customised training programs and workshops on financial reporting, accounting best practices, and tax regulations.
- Training sessions in internal control frameworks, risk management, and corporate governance.
- Industry-specific training programs to enhance financial literacy and knowledge such as Seminars on the Finance Laws.

OTHER CONSULTANCY SERVICES

Every organization has an intent, which needs to be aligned with a strategy and plan. Being agile is when an organization can quickly view opportunities, make smart and efficient decisions, quickly reconfigure its structure, strategy and processes, while minimizing risk and cost. We offer diverse services as follows:

- General Business consultancy.
- Market research and analysis.
- Corporate Finance and Risk Management.
- Human resource management.
- Certification of Accounts.
